

### PRESENTATION

After many years, Hermathenae Orientation Spa is coming back in the forests of Spa to organize an orienteering competition. For this event a complete new map has been realized in February 2017 by a professional cartographer. If you are traveling across Europe, don't hesitate joining us in Spa, why not for a weekend in this beautiful region with so many things to do. You will not regret it !

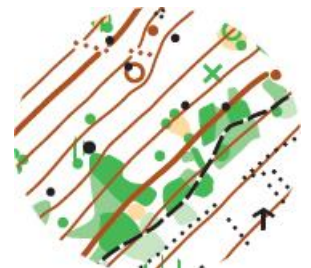

MAP: SPA SOURCES – February 2017 – Dubocarto
